

# PTA News

We held a PTA meeting last Monday night and were delighted to see a couple of new faces in our group. Here is a little of what's been happening.

Our annual school quiz is going to be held on the 26<sup>th</sup> of June at the Town and Country Club. It would be great to see parents making teams and coming to support the school. Raffle table donations can be left at the school office anytime. Please don't bring wine as a raffle prize – as it is against the law.

Sav Friday is well underway this term. Thanks to Sally for organising the roster and all the parents that are doing sav duty. A big thanks to the Four Square who are providing the saveloys and bread at a reduced rate.

The PTA has just handed over \$10,000 to Tapanui School. This money was fundraised from activities like calf sales, catering, foodwrap sales and the many other projects we take on.

A HUGE thanks to Sarah Ottrey and Kay McPherson who organise the catering jobs we do. They come up with menus, order and buy all the food and then coordinate the helpers to prepare, cook and plate the meals. A big undertaking but it's invaluable to our fundraising efforts and we have great comments back about the food.

Thanks to all the families who donated or raised calves for us over the last couple of years. This has made a great boost to money coming in for the school. If anyone is interested in donating or raising a calf this coming year please contact Sally Beattie.

We are about to start selling first aid kits. These are really comprehensive kits which we will sell for \$40. Please support our school and ask around friends, family or buy one yourself. They're great to have at home, work or in the car. An order form is on the back of this notice. Orders can be made by sending the order form into the school office or by phoning me. Lastly I'd like to say a huge thanks to everybody in the PTA for all your enthusiasm and great sense of fun in the way you approach our fundraising activities. It makes helping our kids and the school so much easier when there is a great bunch of people ready to help.

Enjoy the rest of term 2 – the year is flying!!
