TAPANUI SCHOOL CROSS COUNTRY

Due to this event being cancelled last week we are planning to run our own local cross country next week. This event will start from school at 1:30pm on Friday 14 June. A fun run with a bit of a team challenge focus for everyone will follow the competitive races. Come along and cheer everyone on - you're welcome to bring your running shoes and join in the fun run part if you want! It would be great to have a few parents willing to help marshall around the competitive course. See you there!

Kia ora Whānau!

What a wonderful assembly today, held in the church hall across the road. This will be the venue for our end of term assembly as well as the Community Social Room is being used by the Theatrical Society for Mary Poppins which runs until the end of term (hope you've bought your tickets for the show - it will be great for the whole family!) I'm really impressed with the leadership that our senior students are taking in leading and running our assemblies.

I am finishing the week feeling exhausted (why do we try to fit in a full weeks worth of activities into a short week!) but also with such pride in our school here in Tapanui. Everyday there are situations of such dedication from staff and parents helping to make our school great, and the effort being made by students to grow our positive school culture is awesome. I hope you can find situations in your interactions with others in our community to celebrate Tapanui School and let them know how great we are!

Have a restful weekend.

Jane.

RESPECT

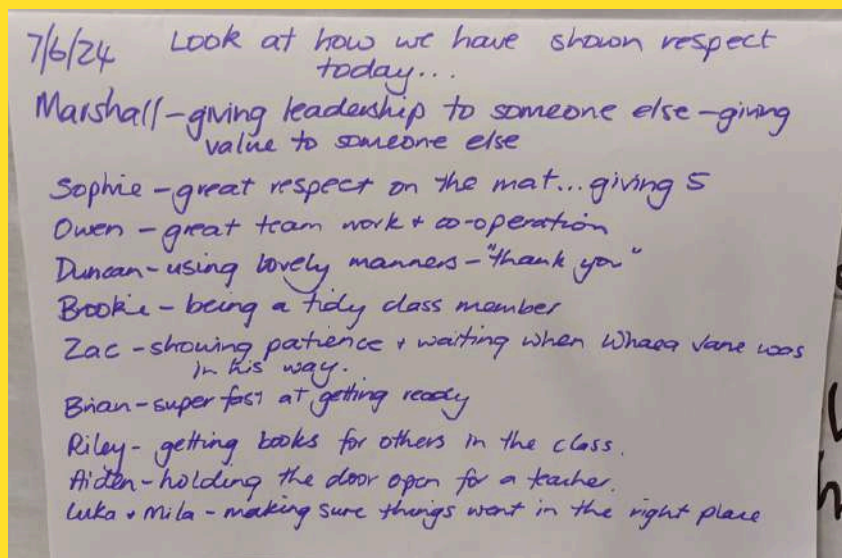

Respect in Our Playground

Here is a photo highlighting an excellent example of students showing respect while playing touch rugby. You could hear positive and encouraging comments from senior students and everyone was able to get involved in the action.

All classes unpacked our school value of respect by contributing to these Y charts. A Y chart helps us to understand what we would see, hear and feel when people are showing respect.

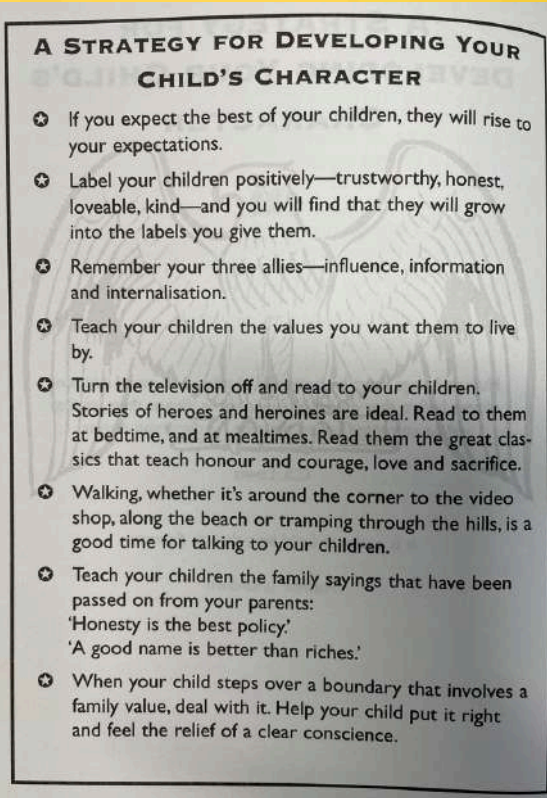

Look at some of the examples of respect being shown in Mohua Class today.
